

Robert C. Byrd Honors Scholarship Program

2004-2005 Application

(for GED recipients)

2004-2005 ROBERT C. BYRD HONORS SCHOLARSHIP PROGRAM APPLICATION INSTRUCTIONS FOR GED RECIPIENTS

APPLICATION: Students meeting the eligibility requirements for the Robert C. Byrd Honors Scholarship Program must submit a completed application to their adult education provider by February 1, 2004. Federal regulations mandate that scholarships be awarded nationwide to qualified high school seniors and GED recipients from a representative population of each state “who demonstrate outstanding academic achievement and show promise of continued academic achievement.” The total number of scholarships allocated for Kentucky will not exceed 95. The six congressional districts of Kentucky will be used as a basis for insuring proportional distribution.

Adult education providers will screen applications and select the most qualified. The adult education provider must submit selected applications to Kentucky Higher Education Assistance Authority (KHEAA); applications will not be accepted if mailed by individual students. **Applications must be postmarked no later than June 30, 2004.**

ELIGIBILITY: To meet the requirements for a scholarship, the student must:

1. Have received a GED minimum score of 2700 during the period from July 1, 2003, to June 30, 2004.
2. Have applied for admission or been accepted for enrollment at a public or private non-profit or higher education institution or a qualifying postsecondary school. KHEAA will assist students and secondary school officials in defining the eligibility of a postsecondary school.
3. Be a resident of the Commonwealth of Kentucky. Residency of students who have not yet reached 18 years of age is determined by the Kentucky residence of their parent(s) or guardian(s).
4. Be a U.S. citizen or national. An applicant who is not a U.S. citizen will be requested to provide evidence from the U.S. Immigration and Naturalization Service that he/she is a permanent resident of the United States or is in the United States for other than a temporary purpose with the intention of becoming a citizen or permanent resident. A student in this category must attach a photocopy of the back and front of his/her “green card” to the application.
5. Agree to comply with the requirements of the institution of higher education.
6. Pursue a course of study at an institution. A scholar is deemed to be pursuing a course of study if he/she is enrolled at an institution of higher education as a full-time student. This determination is made by the institution using standards applicable to all students in that school’s course of study.

SELECTION: Applicants who meet the minimum requirements will be considered based on performance on the GED exam and the adult education provider’s recommendation. Special consideration will be given to those individuals who have overcome hardship and/or are first-generation college students.

Each scholarship recipient must fully adhere to Kentucky Higher Education Assistance Authority’s required procedure to have the scholar’s actual enrollment verified by the institution’s registrar. Check transmittal will be initiated upon receipt of the postsecondary institution enrollment confirmation to KHEAA.

KHEAA will make scholarship awards in accordance with the criteria and procedures approved by the U.S. Department of Education and the final Federal Regulations covering the scholarship program, 34 CFR 654; and Federal Regulations defining institutional eligibility under the Higher Education Act of 1965 as amended, 34 CFR 600.4. KHEAA ensures equitable access to students with special needs participating in this federally assisted program. Copies of these referenced federal regulations are available by written request to Amy Sword, Byrd Scholarship Coordinator, Kentucky Higher Education Assistance Authority, P.O. Box 798, Frankfort, KY 40602-0798.
